

Who I Am
"A New Name"
Pastor Barak Cilluffo

GENESIS 17:1-6 NLT, GENESIS 22:1-18 NLT

1.) Face to Face

***Abram had a moment with God where God was so present that it left him with no other choice but to fall down on his face to the ground. A life changing experience that transformed him. His identity was tied into His personal relationship with God and because of that God changes his name. There is only one thing powerful enough to change our names (the fruit of our lives). If we are connected to God and the foundation of our identity is based on our relationship to Him as our loving Father than our names will certainly, eventually be changed.

2.) Marked with Promise

***Here Abram's name was changed to Abraham. He embraced this new name and believed God over every natural circumstance that he or anyone else saw.

3.) Renewed Focus

***After Abraham received the promise in his son Isaac... God once again wanted to be the center of Abraham's identity. Is our own personal relationship with God so fulfilling that we would be satisfied even if we never experienced any other breakthrough?
